

Your Wedding
at Hitchin Town Hall *x*

HITCHIN TOWN HALL

First opened in 1901, the Grade II listed Hitchin Town Hall is a prominent local venue in the heart of Hitchin which has recently benefited from a number of extensive improvements, while retaining its original charm and character. The development of the newly opened North Herts Museum alongside the venue has created a spectacular modern Terrace Gallery, tastefully overlooking the more historical Mountford Hall. This space is perfect for champagne and canapé receptions and has added another dimension to the diverse range of events the venue is able to host. A permanent on site catering team was established in 2019 and have been hard at work creating a range of enticing menus and delicious food options to cater for your every need. Hitchin Town Hall is now establishing itself as a unique and beautiful wedding venue within Hertfordshire.

Venue Hire Charges

The following prices are a guideline only. We highly recommend that you meet with one of our team to discuss the full range of options we are able to provide, to make your wedding day as unique as you.

(Please note that Hitchin Town Hall is a licensed venue. You will be responsible for booking and liaising with registrars.)
